# Wali Engineering Works

<http://www.valiengineering.in/>

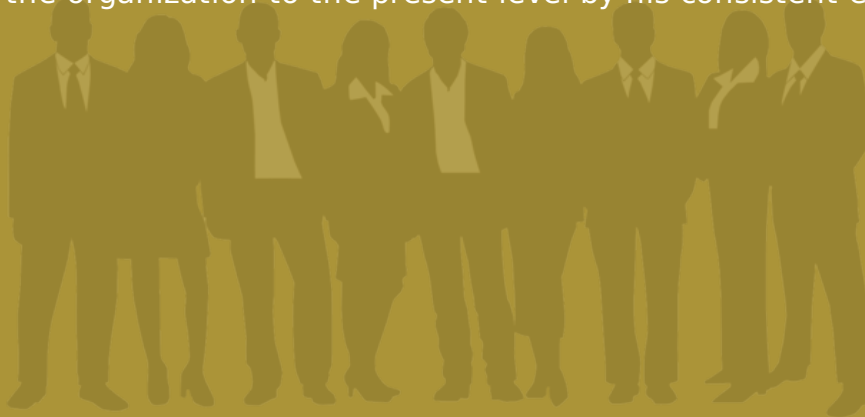

We are one of the big manufacturers and suppliers of Plastic Reprocessing Machine. Our offered recycling machines are liked by the clients, due to the swift cutting action of the sharp blades and instant melting process of the re-processor.

## Profile

Established in the calendar year **2001**, we **Wali Engineering Works** are one of the leading manufacturers and suppliers of Plastic Reprocessing Machine. Our offered recycling machines such as Hanging Dryer Machine, Fully Automatic Washing Plant and Agglomerator Machine are highly acclaimed by the clients. We have always attempted hard to deliver high grade plastic recycling machines which can recycle and reprocess all kind of plastic material available in the market such as high density polyethylene, polypropylene, rigid polyvinyl chloride and linear low density polyethylene. Further, our offered machines can very efficiently reduce the burden of plastic waste which would otherwise create a big pollution problem. Additionally, our offered machines are very much required in the plastic bath mugs and plastic kitchen utensils manufacturing companies. Our manufactured and supplied high speed dryer is capable of drying the washed plastic scrap. Further, our offered speed dryer works very quickly on the water covered plastic scrap and dries it to be fed to the agglomerator machine. Additionally, our infrastructure facility is very big and spacious to accommodate the latest machinery which is required for the manufacture of the recycling machines. We have properly divided our infrastructure facility into manufacturing unit, quality testing unit, warehousing unit and the logistics department. Further, our manufacturing unit is equipped with the metal baling machines, metal sheet cutters, welding machines and the screwing tools. Our key clientele includes **Taryar Bhai and Co Hyderabad Andhra Pradesh, Yazad & Co, Hyderabad Andhra Pradesh and YaYa Mallik and Co, Hyderabad Andhra Pradesh.**

We are very glad to have been mentored by, **Mr. Shaikh Mastan Vali**, who is very supportive, helpful and encouraging. We sincerely believe that our leader has brought the organization to the present level by his consistent efforts and attempts.
